

2015-2016 Home Education Objectives
SuzieQ

Note: American Sign Language will be used for all subjects to continue developing her vocabulary and understanding of concepts.

English (to include spelling, reading and writing):

- SuzieQ will study phonics rules and apply them to spelling in tests, spelling bees, and original writing.
- SuzieQ will regularly read library books related to our unit study themes.
- SuzieQ will write regularly, in a journal, in correspondence, and in beginning compositions related to our unit study themes.
- SuzieQ will participate in public speaking as related to activities in homeschool co-op.
- SuzieQ will continue to have good literary classics read aloud and signed to her to encourage her vocabulary and language development.

Arithmetic: SuzieQ will work through the Math-U-See curriculum.

Science (including Health & Physiology):

- SuzieQ will study science as related to our unit study topics.
- SuzieQ will learn more about human body systems, plants, and planets.

Social Studies (including Geography, History of the United States and Pennsylvania, & Civics):

- SuzieQ will study at least two other countries and interview individuals who have lived there.
- SuzieQ will continue to study the American Revolutionary War period.

Safety (including regular and continuous instruction in the dangers and prevention of fires)

- SuzieQ will learn to utilize her blinking smoke alarm.

Physical Education:

- SuzieQ will engage in regular physical activities including swimming, biking, hiking, running, and bowling.
- SuzieQ will participate in team relay races in AWANA.
- SuzieQ will continue her study of ballet.

Music:

- SuzieQ will participate regularly in group singing.
- SuzieQ will continue to learn basic childhood songs.
- SuzieQ will continue to study the basics of the piano.

Art: SuzieQ will develop creative art projects related to our unit study themes.

Speech Therapy:

- SuzieQ will continue to refine her articulation skills, and her auditory comprehension skills during regular sessions with her speech therapist, per her IEP.

Consumer Skills:

- SuzieQ will continue to learn proper protocol for utilizing interpreter services.
- SuzieQ will begin to learn basic skills and protocol for using a VideoPhone (VP).
